

# 2023

# FARM DRAINAGE FIELD DAY

Hosted by Michigan Land Improvement Contractors Association  
In partnership with MSU Extension

MICHIGAN STATE UNIVERSITY Extension

## August 8 & 9

Located at  
4001 S. Merrill Road  
Merrill, MI 48637

This Event is  
**FREE**  
To Attend!

**Event runs 9:00 AM to 4:00 PM both days**

*Field demonstration will run continuously  
with a lunch break on both days*

**Field demonstration on both days will include:**

- Retro-fitting existing subsurface drainage
- Installation of water control structures, including water-gate valve
- Saturated buffer installation

**Speaker sessions ONLY on Wednesday, August 9th:**

- Soil health
- Nutrient management
- Water management

CCA CEUs Approved  
For August 9th  
2 Nutrient Management,  
1 Soil & Water Management

Exhibitors will be on-hand to display equipment and supplies relating to the drainage and excavating industry.

Lunch will be available.
